Rah Rah Room, 215-217 Picadilly, London W1J 9HN

The Black Cat Cabaret presents a series of pop-up events combining opulent fine dining with spectacular performances, all taking place at a historic vaudeville nightspot in the heart of the West End (formerly The Pigalle). In-keeping with the Black Cat's trademark style, expect to encounter high-kicking showgirls, jaw-dropping acrobats, comics, madcap singers, live musicians, a fire-breathing goddess and more. Guests can enjoy a lavish 3-course dinner by artisan chefs at a shared or private mezzanine table, or simply join the gathered cognoscenti in the stalls to catch the show. Then sip moonlit cocktails and dance the night away!
